**Re: One Window Provincial Review Comments  
City of Ottawa Draft Official Plan (November 20, 2020)  
MMAH File # 06-OP-205766**

Dear Alain Miguelez,

Thank you for circulating the draft City of Ottawa Official Plan for our review and comment. Staff at the Ministry of Municipal Affairs and Housing (MMAH) appreciate the collaborative process that has been undertaken by the City to date. The pre-consultation process will assist MMAH in its role as the approval authority for this Official Plan.

The draft Official Plan was circulated to partner ministries through the One Window Planning Service. Please find enclosed a table consolidating comments for your consideration.

These comments are based on provincial interests as articulated by the Provincial Policy Statement, 2020 (PPS) and provisions of the *Planning Act*. Please note that while specific changes have been suggested, we are open to discussing different policy approaches that achieve the same objectives.

The Algonquins of Ontario, Algonquins of Pikwàkanagàn First Nation, Mohawk Council of Akwesasne, and the Métis Nation of Ontario may have an interest in your new official plan and should be engaged in this process. If you have not already done so, please engage with these Indigenous communities and other Indigenous communities who may have an interest to gather their feedback.

If you have any questions or would like to discuss our comments further, please do not hesitate to reach me by phone at 613-545-2116 or by email at [Dan.Ethier@Ontario.ca](mailto:Dan.Ethier@Ontario.ca).

Yours sincerely,

Dan Ethier, MCIP RPP
